Dear Parents,

Please see the reverse side of this sheet for your child's Supply List for the 2020-2021 School Year.

A few notes for Junior High parents:

- Students should not purchase a homework book or day planner, as one will be supplied by LCS.
- Calculators will be provided by the school at a reduced cost.

As in the past, we are offering the option to purchase your supplies online through School Start. This process can save you both time and money. In addition, School Start has ordering incentives and LCS would receive \$5 per kit ordered back to the school as a donation!

1. If you choose to shop for your supplies locally, please see the reverse side of this sheet for your supply list.
If you have questions about the Supply List, please contact the office: 403-782-6531.

2. If you choose to order your supplies through School Start: visit their website at www.schoolstart.ca

Visa and Mastercard are accepted.

There are two delivery options with your School Start order:

1. Option #1: Deliver the kit directly to your home. (You can then pre-label your child's supplies before the Open House.)
2. Option #2: Deliver the supplies directly to the school. (They will arrive in time for the Open House on August 29th, and be waiting in your child's classroom. Included in your order will be a sheet of sticker labels for you to apply at the Open House.)

If you have any questions about **School Start**, please contact them directly at info@schoolstart.ca or call 1-800-580-1868.
