## **LCS Tuition Policy**

1. Lacombe Christian School is a parent governed Christian School. It is the obligation of parents sending children to the school to pay the school tuition. This is essential for good management of the budget which has very little leeway. The Board of directors of the Lacombe Christian School Society shall be responsible for the collecting of tuition in a sensitive manner.
2. Tuition fees are payable as pledged in the parent signed tuition schedule returned by the deadline date set annually by the school Board for the upcoming school year. If the form is not received by the deadline a follow-up telephone call will be made as a reminder.
3. It is the responsibility of parents/guardians to inform the Board if they are experiencing genuine financial difficulties. Parents/guardians are first of all responsible for the full tuition. If unable to meet this cost they must attempt to get financial assistance from the community (family, church, friends, bank, etc.)
4. All payments received will be applied in the following order:
  - 4.1 Membership dues
  - 4.2 Tuition arrears

- 4.3 Current tuition fees
5. In the event that a family does not have their tuition paid in full by the last day of the current school year, they forfeit the privilege to have their children automatically enrolled for the following school year. If they wish to enroll their children for the following school year, they are required to re-submit an enrollment application by the appropriate date and initiate a physical meeting with the school board or its representatives.
  6. Tuition in arrears are to be dealt with regularly by the Board. Accounts in arrears may be written off with Board approval.

## **Tuition Assistance**

### **Purpose**

The purpose of the Tuition Assistance Program is to provide **temporary** financial assistance towards payment of LCS tuition fees, for families who are unable to meet the full cost of Christian Education.

As Christians, we recognize that all we have comes from God, and that we are simply stewards of God's possessions. We are, therefore, thankful and grateful for what God has provided. And so, it is our joy to be able to share with those in need as we seek to extend God's kingdom together.

*"Carry each other's burdens, and in this way you will fulfill the law of Christ." Galatians 6:2*

*"And do not forget to do good and to share with others, for with such sacrifices, God is pleased." Hebrews 13:16*

As a board, we are called to be good stewards and we are accountable to God who has entrusted us with the financial matters relating to LCS. We are also accountable to our membership as we deal with our financial commitments to our staff and our school's expenses, including services of debt and providing for physical property.

*"So if you have not been trustworthy in handling worldly wealth, who will trust you with riches?" Luke 16:11*

### **Process**

For those who require tuition assistance for the 2018-2019 year, please complete **in full** the following pages with the required information. The completed package should be put in a sealed envelope and marked: "Private and Confidential" to the Business Administrator of LCS. Personal financial details will be disclosed to the Business Administrator, Board Treasurer, and one other Board Member. A Board member will be in contact with you promptly regarding this application.

**Please return the required form by June 8, 2018.**

*In the rare circumstances where tuition assistance is required for the subsequent school year, a new application form must be completed.*

### **Guidelines**

Tuition assistance is a temporary solution. At times there are many applicants and limited resources, such that only the neediest applicants can be accepted. Every effort should be made to seek help from the church community, relatives, or friends. Also, every effort should be made to determine whether personal assets can be accessed.

Circumstances where an application is likely to be accepted:

Sudden loss of employment without the ability to replace income.

Terminal or significant health issues.

Marital breakdown without the ability to replace income.

An attempt to at least pay a portion of the tuition.

Circumstances where an application is likely to be rejected:

The ability to borrow funds.

Where assistance from the church community, friends, or relatives is available.

The ability to sell certain non-essential assets or investments.

Chronic requests for tuition application where lifestyle suggests spending is not well controlled.

Lack of effort in ensuring financial stewardship.

Tuition assistance extending longer than one year.

Generally, tuition covers 25% of the overall operational costs (ie: salaries, utilities, transportation, etc) of education and none of the capital costs (ie mortgage) of the school facilities. Therefore, tuition fees are only the minimum contribution required by parents or guardians. Parents and guardians are also expected to contribute for capital costs/drives/fundraisers, etc on an ongoing basis.
